The Rotary Club of INNSBROOK

2011 Spotlight Charity: Connor's Heroes Foundation

In celebration of Innsbrook Rotary's 21th Anniversary as a club, we have taken on support of **Connor's Heroes Foundation**.

Connor's Heroes Foundation is a non-profit organization providing Heroes Bags and Backpacks to families with a child who has been diagnosed with cancer and is being treated at the VCU Children's Medical Center. Additionally, Heroes bags and backpacks are given to families whose child has a recurrence of cancer and to families who lose a child. The tote bags and backpacks are intended to help families through this time of crises and relieve some of the strain and stress during this difficult time in their lives.

Connor's Heroes also established the Pediatric Cancer Research Endowment Fund in the Department of Pediatrics at the VCU School of Medicine and VCU Massey Cancer Center. This endowment will be used exclusively to support pediatric cancer research with the ultimate goal of recruiting a nationally recognized pediatric cancer researcher.

Additional Connor's Heroes Programs :

- Bone Marrow Transplant Unit
- Computers for Children with Cancer
- Jamie Hess Pediatric Bone Marrow Transplant Fund.
